Travel Information

Airfare

We encourage you to reserve your passage as soon as possible in order to secure low airfares. Kilimanjaro International Airport (JRO) is the closest major airport for those taking part in one of the Arusha Learning Journeys or just the Meeting. **HOWEVER, if you will be participating in the Learning Journey that begins in Nairobi, you will fly directly to Nairobi's Jomo Kenyatta International Airport (NBO) and then fly onto Tanzania Tuesday evening as a group (you will need to book this ticket). Specific flight details are forthcoming.** Everyone will leave at the end of the meeting from Arusha (JRO).

Ground Transportation

More details will be available soon.

Travel Documents

Almost everyone needs a visa to enter Tanzania, which costs US\$50 for most nationalities (US\$100 for citizens of the USA) for a single-entry visa valid for up to three months. Officially, all travellers who come from a country with Tanzania diplomatic representation must obtain visas in advance. One-month single-entry visas (but not multiple-entry visas) are also currently issued on arrival at Kilimanjaro International but must be paid for in cash, in US dollars. Our advice: get your visa in advance if possible.

Should you require a letter from us to obtain your visa, we will supply you with one once you are fully registered and paid.

Other Information

Meals

All meals during the Learning Journey will be covered by your Learning Journey fee starting with Sunday dinner. For the Meeting, your registration covers dinner on Tuesday, lunch and dinner on Wednesday, and lunch on Thursday. Breakfast is included in your hotel room rate. If you have any specific dietary requirements or food allergies, please be sure to include that information on the registration form or let LeAnne (lgrillo@sustainablefood.org) know right away.

Weather

Temperatures average about 81° F (27° C) during the day and 52° F (11° C) at night during early November. There is the potential of some rain as November is the beginning of the “short rains.” However, the rains sometimes arrive later (or earlier) than this.

Dress/Packing

Dress is casual for all parts of the Summit. Please dress comfortably. Layers are best as temperatures will vary based on altitude and time of day. For those going on a Learning Journey, please bring closed-toe walking shoes so that you can go out into the fields, rain gear, a hat, sunscreen, and insect repellent. For the Arusha Learning Journey participants—you may want to consider bringing a smaller bag to bring your clothes for just the Learning Journey overnight, as you will be able to leave most of your luggage at the Ngurdoto Lodge when you leave.

As meeting room temperatures and personal comfort levels vary, please bring a sweater or a jacket with you to the sessions.

Money

Standard currency is the Tanzanian shilling. You will need very little cash and may change money at the airport or by accessing a local ATM. For currency conversion, please visit www.xe.com/ucc/. US dollars are also accepted if necessary.

Tipping/Gratuities

In restaurants, if a tip is not included, 5-10% or rounding up to the next \$5 works. A dollar or two for bell staff at the hotel is always welcome, as is a dollar a day for housekeeping staff.

Electricity

Tanzania uses the three flat-pronged sockets, called BS-1363, which is the same as used in the UK. A universal adapter has the appropriate connection.

Internet Access

The hotel has complimentary wireless internet.
